Our Capabilities

Westcarb Enterprises, Inc (WE) appreciates the opportunity to submit an overview of our dynamic team of contractors. This team captures the advantages we bring to your organization for current and future opportunities. Our team possesses the necessary skills needed to be considered a contractor/subcontractor of choice.

Westcarb a SBA certified 8(a) Small Disadvantaged Minority Woman Owned Business, located in the state of Florida, has been in operation since 2002. In 2005, Westcarb formed Teaming Agreements on various projects with a group of small business contractors. All of the businesses are very small; therefore size determination should not be an issue. By establishing teaming relationships with other organizations possessing skill sets that complement Westcarb's skill set, Westcarb has broadened its capabilities. Each contractor articulates a distinct role and are experts in their specialize fields. Our goal is to strengthen our company ability in areas where we can complement each other's capabilities; thus allowing us to offer better performance, deliveries and cost structure.

Apart from our teaming partner's capabilities, Westcarb's Core Competencies are Cleanroom Laboratory Supplies, Industrial Supplies, and Healthcare Supplies. Through ongoing teaming efforts, distributorship and Reseller Agreements, Westcarb is equip with the capacity to provide a vast number of supplies and products. Westcarb's ultimate goal is to become a "one stop" 8(a) contractor of choice.

Some of Westcarb current customers consist of Halliburton, Maxwell AFB, US Marine Corp. and the Bureau of Land Management. Westcarb prides itself with commercial customers consisting of DynCorp, L-3-Communications, Raytheon, and Hamilton Sundstrand.

An opportunity to provided quality products and services would be greatly appreciated.
